The 25th annual staging of this challenging multi-terrain event of approximately 30 Kilometres using established tracks and lanes over the beautiful North Downs.
(Not suitable for wheelchairs)

VOTED BY 'RUNNERS WORLD' READERS AS THE THIRD BEST RACE IN THE UK IN 2007

The route of the North Downs Run passes through some of the finest scenery in Southern England. Starting at Cascades Leisure Centre, Thong Lane, Gravesend, the route threads its way across local farmland to the village of Shorne before descending gently southwards through Cobham Park into the Cuxton Valley and the steep drop down to Lower Bush. The route then begins to climb up onto the top of the North Downs following the ridge to Holly Hill before descending into Great Buckland. After a brief road section, the route crosses the fields to Luddesdown Court and over picturesque "Cricket Pitch Hill" (usually with an incredible spread of poppies during May/June). There follows a 800 mtr road section at Henley Street taking you past 'The Cock', probably the most acclaimed pub in Kent. Leaving Henley Street, the course passes through the characteristic Kent apple and pear orchards to reach the historic village of Cobham. Crossing Cobham High Street, the route passes through Ashenbank Wood and into scenic Shorne Wood Country Park for a challenging uphill section before emerging onto the path back across the fields to Cascades Leisure Centre for the finish.
